EXAMINER: Initial if reference considered; either or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and not considered.  
Include copy of this form with next communication to applicant. Unique citation designation number. See attached Kinds of U.S. Patent Documents. Enter Office thereof.  
Issue the document, by the two-letter code. For Japanese patent documents, the indication of the year of the Emperor must precede the serial number of the patent. For all other countries, the year of the application must precede the serial number of the patent. If possible, Applicant is to place a check mark after each country name translation it appears. AB indicates that only an English translation has been attached.
